

Traditional products of superior quality!

Dida Boža is a brand of Hermes International d.o.o, a company based in Sračinec near Varaždin, which is dedicated to manufacturing and distribution of natural and organic spreads and tapenades, well known for superior quality.

Brand Dida Boža is inspired by a real person—Dida Boža, a grandfather of the owner of Hermes International.

BIO

Dida Boža spreads and tapenades are Croatian products, prepared in accordance to the original **Dalmatian recipes** in highly controlled manufacturing environment where, for example, each fig is handopened and examined in order to foster high quality of spreads.

A high **proportion of organic and hand-picked fruit** gives spreads and tapenades a **rich and special flavor**.
